

ATTENDANCE POLICY

Rationale

The Bridges Federation is committed to providing a full and efficient education to all children and embraces the concept of equal opportunities for all. We have developed this policy in order to give a consistent response to all children and families in our care.

We want to do our best for all our young people and believe that regular attendance at school is vital for children as it promotes good learning, positive attitudes and maintains continuity in their education and in their friendships. Children should be at school, on time, every day the school is open unless the reason is unavoidable. Permitting absence from school without a good reason is an offence by a parent.

We will endeavour to provide an environment where all pupils feel valued and welcome. For a child to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

Attendance is subject to various Education laws and this policy is written to reflect these laws and the guidance produced by the Department of Education.

Each year the Federation will examine their attendance figures and set attendance/absence targets. These will reflect national attendance targets. The Federation will discuss their attendance figures, the success of this policy and will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the Federation will use to meet its attendance targets.

Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised. The coding for any absences will be in accordance with the guidance provided by the Department of Education.

Lateness

The Federation schools set their own registration times. Morning registration will take place at the start of school at 8.55am.

The registers will remain open for 15 minutes. Any child arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation such as delayed school transport. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered. Medical evidence may be requested to support the absence.

Children arriving after the start of school but before the end of the registration period will be treated for statistical purposes, as present, but will be coded as late before registers close.

First Day of Absence

On the first day of an absence, parents/carers should contact their child's school before the registration period closes. If no contact has been made, the schools will endeavour to contact parents/carers as quickly as possible during the school day and will transfer information to the registers, alerting the Headteacher or other staff to any wellbeing issues. If no contact is received from parents by 09.30 the morning of absence, we will phone them. We will continue to make daily contact until a response is received. We will also make general enquires during this time and try other contact numbers.

Ten Days' Absence

Any child who is absent without an explanation for ten consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Staff for

the local area - This is a legal requirement. The Federation schools will include details of the action that they have taken.

Absence notes

Notes of telephone calls received and written notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the child, that may require further investigation, then the notes may need to be retained for a longer period.

If there are attendance concerns about the child, then further medical evidence must be produced (eg doctor's note, prescription, medicine label). Headteacher retain the right to un-authorise absence without medical evidence.

Frequent Absence

It is the responsibility of all staff in each school to be aware of and bring attention to, any emerging attendance concerns. In cases where a child begins to develop a pattern of absences, the Federation schools will try to resolve the problem as soon as possible. We monitor attendance periodically. When a child's attendance falls lower than the national average or causing concern, their parents will be contacted by the school. We will look for patterns and reasons for absence, making parents aware of the number of absences and the importance of attendance etc. Additional support may be available from outside agencies. In other cases the school will seek advice from the Attendance Support and Enforcement Officer (ASEO). Action may include the use of the Fast Track system and/or Fixed Penalty Notices. Monitoring will continue and a Family Support plan meeting could be considered.

Persistent Absence [PA]

All children whose attendance level falls below 95% will be subject to an action plan to support their return to full attendance. These action plans will be set up by the Headteacher with support from our PSA

The action plan will include engagement with all parties who can support the child's attendance.

Include details of systems such as Fast Track, Attendance Panels, CAF utilized by the school. PA is currently 90% therefore intervention should be happening before attendance falls to this level.

A Welcome Back

It is important that on return from an absence, all children are made to feel welcome. This should include ensuring that the child received help to catch up on missed work and updated on any information which has been passed to other children.

Promoting Attendance

The Federation work actively together to improve attendance in our schools and give consistent messages about the importance of good attendance. Each school will use opportunities as they arise to remind parents/carers of their responsibility to ensure that their children receive education and will make clear the links between attendance and attainment. Information about attendance, our procedures and attendance rates are published in the School Prospectus.

The Home/School agreement mentions the importance of good attendance and the parents' responsibility.

Holidays in Term Time

Holidays during term time are not permitted. Parents will be reminded of the effect absence can have on a child's potential achievement. Absences in term time will only be authorised in **exceptional circumstances** and if attendance is above 95%, but parents must apply in advance for permission using the request for leave of absence form.

In certain year groups, due to teacher and statutory assessments and controlled assignments, no absences will be authorised during certain periods, eg SATs and exam periods.

Penalty Notices

The government states that any excessive absence or any refusal of leave of absence must be recorded as unauthorised on the child's records. You need to be aware an accumulation of unauthorised absences will result in Penalty Notices or legal proceedings against you. The Local Authority operates a system where any pupil will meet the criteria for legal intervention where they have:

1. 85% attendance or less, with at least 15% unauthorised absence over a 6 week period; or,
2. Below 90% attendance within a 12 week period where some or all of the absences are due to unauthorised term time holiday absence

The intervention could be in the form of a Fixed Penalty Notice.

Categorisation of Absence

Any child who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence
2. Authorised Absence
3. Approved Educational Activity

1. Unauthorised absence

This is for those children where no reason has been provided, or whose absence is deemed to be without valid reason.

If a child is receiving education off site or is attending at a school where they are dual registered with, the school will liaise with the other education provider to check on attendance.

The Federation will set attendance targets each year. A system for analysing performance towards the targets will be established and a Senior Leader will be responsible for overseeing this work. Academies will make use of the attendance data available on the "RAISEONLINE" system, when setting its target. Targets will relate to national averages.

Attendance Governor

The Federation has a named governor for attendance: Mrs Toni Clarkstone
