

## Guitar Lessons in School

Guitar lessons are now available within school!  
The lessons will take place during the school day.  
Lessons will focus on contemporary styles of music. Lessons will not only be great fun but will help build confidence, communication and coordination skills.

Lessons are available in the following formats:

1. **Single lesson** (One pupil taught for 15 minutes) £6 per week - **Recommended**
2. **Shared lesson** (Two pupils sharing a 15 minute lesson) £3 per pupil, per week.

If your child is interested in taking lessons, then you can either fill in the form below and return it to the office for me to collect, or you can contact me, Chris, at [hello@coadysmusic.co.uk](mailto:hello@coadysmusic.co.uk)
