

Newsletter No 2 Friday 14th September 2018

Dear Parents,

The children have all got back in to the swing of things and completed some fabulous learning this week. Our new reception children have had a wonderful first week at school and have already shown a keen interest in learning. They are already asking to be challenged!

It is always lovely to hear about some of the learning in our weekly celebration assemblies; as well as seeing things in action as we walk around the school. Our theme for this term is 'We're going on a Quest'. For some classes this involves travelling back in time and for others a bear hunt is involved! Thank you to all our parents who attended the welcome meetings. This was a great opportunity for you to hear about the routines and expectations in each class. We are currently planning Harvest and Reading Cafes where we would love you to join us.
