

## Newsletter No 4 Friday 28<sup>th</sup> September 2018

Dear Parents,

As part of the enrichment opportunities being provided through the KWEST Academy we have been invited to join in with a KWEST Together Event. All seven schools in the Trust will be going to Lynnsport for the event celebrating our King's Lynn heritage and the joining of the schools.

Each Academy will lead a short, mime/drama based on an historic event in Kings Lynn. A backing voice-over with sound effects and music will be pre-prepared to hold the performance together.

At Wimbotsham and Stow we are looking at Henry VIII's soldiers take control of the town from the Bishop - Renamed Kings Lynn (1537) – I am promised this is more interesting than it sounds!

Karl visited all of our schools this week and we have started to practise the mimes ready for the event later in October. We look forward to telling you more about it nearer the time.
