Dear Parents/Carers

Staff from all of our schools have attended another training day this week for our Primary Writing Project. We are now well in to the second year of this project which aimed to improve children's writing skills across the whole school. Children's enjoyment in retelling stories has been evident throughout the training. They have now learnt at least 5 stories by heart and have hopefully shared parts of them at home.

It is lovely to witness the children enjoying stories so much – it is amazing how well they can retell the story with actions. They are now starting to make some changes (innovating) to the story to help write their own.

Regards

Mrs Hayes & Mrs Arrowsmith

PUPIL PROGRESS NEXT WEEK IS: YELLOW WEEK

Travelling Book Fair

We would like to thank each and every one of you who purchased books from our fair last week. We raised a fantastic £329.00 which has earned the school some fantastic books!
Thankyou all so much for your support.

School Meals, Breakfast Club and Snack

Please may we remind parents/carers that payments are required at the beginning of the week. This ensures no outstanding amounts.

If you don't know in advance if your child would like school meals, snack or breakfast club that week, please just pay in the morning on the day.

Thankyou for your understanding.

We need your Junk!!!

If you have any plastic containers, boxes, milk cartons, cereal boxes, tubes, spare wool or any art and craft materials you may not want.

The school could make good use of these items so please don't throw them away!!

Speeding

Please may we remind you in the interests of the safety of the children, parents and staff, please drive safely and cautiously when entering and leaving the carpark,

Thankyou for your understanding.

PARKING

For every child's safety please refrain from parking on the village hall curbs.

Not only does this block the road for traffic coming and going but also restricts the vision for children going backwards and forwards to their parent's car.

Thank you

Protect yourself, protect others

Your child will be mixing with more children when they start their new school and could be at risk of catching preventable diseases if they haven't had all their childhood jobs.

If you are not sure if your child has had all their routine vaccinations, check their personal health record (Red Book) or contact the GP surgery. To get the best protection for your child, they need to have had two doses of MMR vaccine.

For a checklist of the vaccines and the ages at which they should ideally be given visit www.nhs.uk/vaccinations
