Dear Parents,

Another fabulous week of learning has taken place in our schools. Part of our role as Heads of School is to constantly monitor and review the teaching and learning in each of our classes. This week the focus was Maths – we talked with children, looked at the environment and reviewed books.

We were delighted with what we saw and proud of all our teachers and children. We identify next steps for each school and review these in staff meetings.

A big well done to everyone!

Miss Hayes and Mrs Arrowsmith
