Dear Parents,

Another very busy week ...

This week has not only been Children in Need but also Anti-bullying week. Throughout the week, the children have focussed their learning around the themes of respect and kindness. We have watched videos, made cyber bullying posters and written friendship recipes.

The staff and children had a fantastic day today dressing up to raise money for children in need. The children have spent time discussing what children in need is and why we have raised money.

The ducklings class have also had a visit from Benjamin and Bethany to talk about road safety and the swans had a seatbelt safety talks.

A big thank you to FOWPS who have spent the last two days making Christmas cards with the children. They look amazing!

Coming into school

We would like to encourage children to be as independent as possible - when children arrive at school we would ask that **parents do not accompany them into the school building.** **Any messages can be passed on to the office.** Of course we are happy to meet with parents on request. There is always a member of the teaching staff on the playground at the end of the day.

Lost Property

Lost property is a problem at school! Please ensure that all items of clothing and belongings are very clearly labelled, which will allow lost items to be returned to their owner should they be found. Items not labelled will be kept only for a short time and then will be disposed of. This also applies to packed lunch boxes on the trolley, which are left for weeks on end!
