

Newsletter No 11 Friday 23rd November 2018

Dear Families,

Another fabulous week of learning has taken place in our schools. Part of our role as Heads of School is to constantly monitor and review the teaching and learning in each of our classes. This week the focus was Maths – we talked with children, looked at the environment and reviewed books.

We were delighted with what we saw and proud of all our teachers and children. We identify next steps for each school and review these in staff meetings.

A big well done to everyone!

Lateness

Quite a few children are arriving late in the mornings and this result in them losing their school mark. As you know, school starts at **8.55am** sharp.

Children who arrive after this time but.....

Before 9.10am are given a late mark.

Children arriving.....

After 9.10am are entered as an unauthorised absence

and are subject to County Attendance check-ups. Please try to ensure that your children arrive in school at the correct time each morning. This not only ensures that they are here for the start of lessons and do not miss anything, but it also reduces disruption to other children who are already working.
