

## Newsletter No 9 Friday 9<sup>th</sup> November 2018

Dear Parents,

As always the children at our schools excelled themselves during their class trips to King's Lynn. It was so great to hear the questions children were asking to further their understanding of the topic and for the children to consolidate their learning from this term. We place great value on educational visits and rely on parents supporting us through their donations.

Next week is Anti-Bullying Week – the theme this year is **Choose Respect**. The aim of this week is for children to understand: The definition of respect; that bullying is a behaviour choice, that we can respectfully disagree with each other i.e. we don't have to be best friends or always agree with each other but we do have to respect each other, that we all need to choose to respect each other both face to face and online. With the children we will be doing some work on friendship and kindness. It is really important that children at our schools know what they can do if they are feeling uncomfortable about anything and that we have an open environment for discussion. As parents you can help by following up on discussions at home finding out what your children have been learning at school. ### **PE KITS: please read...**

Unfortunately we are still noticing children without the full PE Kit in school, now that we are experiencing colder weather it is essential that the following items are included in their kit i.e. **jogging bottoms, sweatshirts, outdoor trainers, hats & gloves essential.**

Full PE Kits must be kept in school **Monday to Friday**, we have specialised PE Coaches come in to work with each class every Wednesday, and when possible they will do their sessions with the children outside.
