Dear Parents,

On Monday our Year 6 children visited the Queen Elizabeth Hospital and had a great morning learning about what is good and bad for our bodies. They found out what SERV blood bikes do, what it is like to be blind or partially sighted and also how to put on a sling and a bandage as well as lots more. They all had a fantastic time and as usual their behaviour was impeccable – always a credit to the school!

This week our teachers met across the three schools to begin planning the themes for next term. The aim is to fully immerse the children in the theme and staff have come up with some wonderful ideas for decorating the classrooms – we can't wait to see what they look like. Alongside this, they are looking at trips and visitors to enhance the learning further – you may even be asked to get involved too!

Don't forget to join us, next Friday, as we get into the Christmas spirit with the Fair!

A big well done to everyone!
