WELL DONE!

Dear Families,

As part of Anti-Bullying Week children in all classes have been thinking about what makes a good friend and what respect looks like. In Cygnets the children have discussed what they think makes a good friend and how they themselves can be a good friend to others, while in Robins the focus has been respect and recognising how we are all unique and the importance of showing that respect to all. In Owls class the focus has been on kindness linked with respect - they've used the story Christmasaurus to identify characteristics of different characters and how others feel when unpleasant comments are made. Although this week is Anti-Bullying week, many of the different aspects will continue to be discussed in circle time throughout the year.

We've ended the week raising funds for Children In Need - the children enjoyed dressing up in spots and stripes and making their own snacks to sell at breaktime. We look forward to letting you know about how much we raised for such a good cause. Thank you for your support with this event.
