Dear Families,

On Monday our Year 6 children visited the Queen Elizabeth Hospital and had a great morning learning about what is good and bad for our bodies. They found out what SERV blood bikes do, what it is like to be blind or partially sighted and also how to put on a sling and a bandage as well as lots more. They all had a fantastic time and as usual their behaviour was impeccable – always a credit to the school!

This week our teachers met across the three schools to begin planning the themes for next term. The aim is to fully immerse the children in the theme and staff have come up with some wonderful ideas for decorating the classrooms – we can't wait to see what they look like. Alongside this, they are looking at trips and visitors to enhance the learning further – you may even be asked to get involved too!

Congratulations to the Yr5/6 Athletics team who came 2nd in their competition yesterday! A big well done to everyone!

Regards

Miss Hayes & Mrs Arrowsmith

Christmas Performance

Costumes

Please send in your child's Christmas performance costumes next week as we will be practising throughout the week ready for the performances on Tuesday 11th December. Please can you send them in a named carrier bag. Thank you

Christmas Decoration Morning

Please come and join us in our house groups where we will complete four different Christmas craft activities. The sessions will run from 0900 – 1030 and 1040 to 1210pm. You are welcome to come to both sessions but there will be a break between the different sessions. We look forward to seeing you there.

Thank you

It's Cold Outside!

As the weather is now quite cold and wet, please could all children have a coat, gloves, hat, etc, to wear at breaks and lunchtime. Also, we like to go outside for PE as often as we can, so outdoor trainers, jogging bottoms, dry socks, etc, are a good idea to have in the PE Kit.

Thank you

Sweet Wrappers

Please can you save any chocolate wrappers and things from over Christmas for us to make fair trade symbols out of for a collage once we return to school in January.

Christmas Gifts

This year we are taking part in the 'My Childs Art Christmas gifts'. All the pupils have worked on their designs and these have been uploaded to the 'Parent Portal'.

Information on how to order a range of Christmas gifts from Christmas cards to fridge magnets to sweetie jars all with your child's artwork are in the bookbags today. If you have not received this information please go to their website www.mychildsart.co.uk
