

Newsletter No 13 Friday 7th December 2018

Dear Families,

We are now well under-way with preparations for Christmas. We look forward to seeing many of you at our Christmas Performances on Mon/Tue 10th /11th December. The children have been practising really hard and are looking forward to showcasing their talents. This time of year is always such a magical time of year for our children.

We had a visit from the executive team at KWEST this week for our half termly Challenge Partner Visit. The visit was a real success and confirmed how good our school is. We were so proud of all of the children. For more details on the outcomes of this visit please see the half termly update which will be sent home next week.

We are all very much looking forward to going to the pantomime next week. It will be very dark when we return to school so ask that parents wait on the playground for their children and not collect them from the coach. We plan to bring the children back into school, to collect their things before handing them over to you.

Mrs Arrowsmith & Miss Hayes
