Parents as Partners

Dear Families,

Our first full week back at school has been full of exciting immersive learning. The children have been experiencing their 'sparkling start' to the topic and have shown great enthusiasm for learning. The aim of the sparkling start is to 'hook' the children into the theme. Teachers work together across the schools to decide what to do and try to vary approaches with each theme. Today the Year 5 and 6 children from each school have come together for a day focused on fair trade and sustainability. Kevin Holland (the solar shed) has talked to the children about renewable energy. Sandra Squire is embarking on another water adventure and it will be the first eco-friendly canoe used to navigate the sea and she has shared part of the boat with the children. An excellent day of learning!

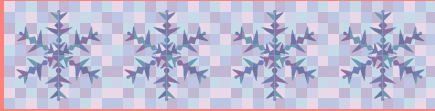

As a senior leadership team, we have been reviewing attendance from last term. Generally this is good in our school. Teachers will be discussing attendance with parents at the progress meetings this term and some of you may have received a telephone call from Mrs Clarkstone. This is meant to be a supportive process and provides an opportunity to discuss your child's needs and any concerns you may have regarding their health/ absence. If you have any concerns about your child please do come in and talk to us.

Regards

Miss Hayes & Mrs Arrowsmith

Heads of School

REMINDER

Please send the children in suitable clothing for outside play and sports.

They should have joggers, sweatshirt,
spare socks etc for PE
&

Coats, Hats, Gloves, Wellies to keep them
warm when they play outside.

School Meals

There will be a reduction in the cost of a meal to £2.25 per day (or £11.25 per week).

If this money could be sent in (named child envelope) prior to or on the day the dinner provided.

Letters will be going out regarding any monies due for Breakfast Club/School Dinners.

Thanks for your assistance.
