

Newsletter No 18 Friday 18thth January 2019

Dear Families,

We have held pupil progress meetings with all of the class teachers this week to review learning in their class and set new targets and actions for the coming term. The professional dialogue during these meetings is invaluable and we are able to identify areas of learning individual children need to work on as well as the whole class. These meetings are primarily focused on reading, writing and maths and the core skills all our children need to succeed.

We have been particularly focusing on the children in our Year 6 cohorts. Please look out for more information coming soon about the booster sessions we will be offering. These last few months before the SATs in May are a time to consolidate learning from the last few years and ensure our children can achieve the best that they can. We are also looking at putting on some information sessions for parents of Year 6 children to gain further understanding of the expectations.

Mrs Arrowsmith and Miss Hayes

Certificates
