Dear Families,

You will remember that with the formation of KWEST MAT in February last year we made some transitional changes to the leadership team at the Bridges schools. At the time Ann De'Ath became the Executive Head for the three schools whilst also retaining the leadership of Kings Oak Academy. In February 2018 Louise Arrowsmith was about to return from maternity leave and Suzie Hayes was taking maternity leave the following month.

Ann De'Ath has now returned to her original post at Kings Oak whilst retaining an overview of support for Suzie Hayes and Louise Arrowsmith.

Suzie and Louise are back and working closely together as Heads of School for the three schools. The day to day running of these three schools is their responsibility and they meet regularly with Alison Hughes and myself in order to ensure appropriate support. Ann provides a useful line of support as she has recent and current knowledge of the schools and their overall performance.

I would like to take this opportunity to thank Ann for her support and dedication during the last eleven months; this has allowed a smooth transition in the leadership of the schools and facilitated a template for the sharing of ideas across the KWEST Academies. This has been a very good example of flexible collaboration within the organisation.

We are confident that Suzie and Louise will continue to provide supportive and inspirational leadership for these schools as we move forwards into 2019 and beyond. Although both Suzie and Louise are working across all three schools the named contact for Wimbotsham and Magdalen will be Louise and Suzie for St. Germans.
