ALL
YEAR 6

Dear Families,

Each year we are amazed by how all of the Year 6's takes the SATs in their stride and this year is no exception. Once again, they have made us all so proud with their determination and resilience. We would like to thank all the staff involved in the assessments this week as well. It is never an easy week! It has been lovely to help celebrate the end of the assessments with fish and chips. We are also really looking forward to the London trip next week.

Don't forget next week is Health and Wellness Week. Children may come to school in their PE kits all week (black shorts/tracksuit trousers and a white t-shirt). Alongside a range of sporting activities including our "Olympic" sporting event at Lynnsport on Monday, climbing wall and yoga, we will be particularly focussing on children's well-being this year and encouraging all children to think carefully about how they can look after their bodies and minds.

Lois Addis will be moving after half term to work at KLIC as part of the KWEST Finance Support for schools. Although I am sure we will be seeing lots of her she will no longer be working in the office at St Germans or within our schools as much. Lois has been our School Business Manager for several years now and very much part of the team so will be missed by all of us. We wish her all the best for this new venture.

Regards

Miss Hayes & Mrs Arrowsmith

Heads of School
