Weekly Attendance Award: Butterflies 100%

Dear Parents

We've all had a fun-filled Health and Wellness week at school. The children have accessed a range of activities including: the climbing wall, yoga and the dental nurse.

Everyone had a fantastic day at Lynnsport on Monday. The weather conditions were perfect for the athletic events. As usual, the children will receive ribbons for placing in different events. These are currently being organised by the admin team and we look forward to giving these out in a celebration assembly after the holidays.

We had an amazing day in London with the Year 6 children from the three schools. Their behaviour was outstanding and often commented upon by passers by. We saw many of London's famous sights; ate ice-creams; visited M and M world and watched Wicked which was spectacular. A very tiring but well-deserved day for all our Year 6's.

The Reception, Year 1 and 2 children from all three schools, joined together on Thursday for a day in Hunstanton. The weather was perfect for a trip to the beach which we heard included a paddle in the sea!

This week has also focussed on the Mental Health of the children within our schools. A reminder that if you are concerned about your child, please do come in and talk to us as we have a range of services we can access outside of school as well as our wonderful PSA – Mrs Clarkstone.

Have a wonderful half term, see you on Monday June 3rd.

Mrs Arrowsmith and Miss Hayes

STEM KIDS Afterschool Club

We have booked a STEM KIDS Afterschool Club for Year 1 and above, where pupils will be making such things as balloon powered cars, slime and vibrating bugs all to be taken home after the club each week. Booking information was sent out last week via MCAS app and it is also on the school website. Please go onto the following website to book your child in this extra club. www.stemkids.co.uk We do need a minimum of 12 children for this club to run, the first session is Monday 10th June. If your child wishes to take part please book before 31st May. Any questions please see the school office.

STEMKIDS

Booster Swimming

Please remember that selected year 4, 5 & 6 pupils are swimming for 7 weeks this half term starting **5th June**. If your child has been selected they have a letter with full information on. The swimming kit consists of trunks/costume, towel and hat in a named bag.

Thank you

Walking to Church

On Monday 10th June we will be walking to the church for the Church Flower Festival. If you would like to walk with us we will be leaving shortly after 9am

Following Prêt-a-Portrait's visit to our school, class pictures are now available. A viewing card explaining how you can view and order pictures were sent home earlier in the week. If you order before the Early Bird Deadline **6th June 2019** you can get a discounted price. If for any reason your viewing card doesn't make it to you please contact the school office as they have all the information you need.
