Dear Parents

We've all had a fun-filled Health and Wellness week at school. The children have accessed a range of activities including: the climbing wall, yoga and the dental nurse.

Everyone had a fantastic day at Lynnsport on Monday. The weather conditions were perfect for the athletic events. As usual, the children will receive ribbons for placing in different events. These are currently being organised by the admin team and we look forward to giving these out in a celebration assembly after the holidays.

We are had an amazing day in London with the Year 6 children from the three schools. Their behaviour was outstanding and often commented upon by passersby. We saw many of London's famous sights; ate ice-creams; visited M and M world and watched Wicked which was spectacular. A very tiring but well-deserved day for all our Year 6's.

The Reception, Year 1 and 2 children from all three schools, joined together on Thursday for a day in Hunstanton. The weather was perfect for a trip to the beach which we heard included a paddle in the sea!

This week has also focussed on the Mental Health of the children within our schools. A reminder that if you are concerned about your child, please do come in and talk to us as we have a range of services we can access outside of school as well as our wonderful PSA – Mrs Clarkstone.

Have a wonderful half term
