

**HELP!**

**Are you able to help us on the day?**

**Saturday 22<sup>nd</sup> June 2019 12-6pm**

**Wimbotsham Recreation Ground needs you.**

We are a friendly, fun loving group dedicated to making our recreation ground an enjoyable space for all to enjoy, but desperately need more help on the day of our biggest annual event. It's a great way to get involved in the local community, meet new people and feel part of village life.

We don't necessarily need you to commit to attending regular meetings if that is not your thing, but an offer of help on the day would be a massive contribution. So please if you can spare a few hours we welcome you to join us.

**We also need Homemade cakes for our vintage café and Fresh cut garden flowers for our Flower Garland workshop**

**Please Contact Us if you can help in any way:-**
