

## Newsletter No 34 Friday 7<sup>th</sup> June 2019

Dear Parents

Our last half term of the year has already proven to be a busy one. Our themes for the summer term continue. Walking around the Early Years environments lots of treasure seems to have appeared. Let's hope there aren't too many pirates about!

On Monday, we attended a briefing called Learn Equality, Live Equal. This is a project all three schools are becoming involved in to further develop Pupil voice and their understanding of relationships. We will update with more information in the coming weeks.

We have also updated our training on Attendance. There has been a significant increase in term time holidays this year in our schools which is impacting on our attendance data. Therefore, we are currently reviewing our policy in line with KWEST and recommendations from the local authority which will be relaunched with parents in September.

On Wednesday we had our termly visit from Paul Donkersloot, CEO of KWEST. As Heads of School, we meet with him fortnightly at KWEST to discuss our schools and ways we are improving the quality of education for our children. So, it is always a pleasure when he visits as we can show him everything we have been talking about! He always meets with a group of children too to gather their views on what is happening at school and this time he met with our very enthusiastic Eco team. As always, he was very complimentary of the children and the staff.

We have lots of exciting things planned for this half term and look forward to sharing our learning with you.

Mrs Arrowsmith & Miss Hayes

## W/C 10/06/19
