Dear Families,

A huge congratulations to all our Year 6s this week on their SATs results. There have been lots of successes and just a few near misses. We are proud of each of every one of you for your dedication and attitude towards everything this year. We also know that Primary School is a time for self-discovery, building confidence and nourishing potential which will place just as much emphasis on. There was a great video which was circulated earlier this week about all of the other skills our children are great at as well as the SATs: <https://www.morethanascore.org.uk/2019/07/08/ahead-of-sats-results-celebrities-tell-children-youre-more-than-a-score/>

We have received many responses from our pupil progress meeting questionnaires and the overall response has been incredibly positive. We are pleased that you value these meetings as much as us and we will be continuing them again in the same format as next year. For any queries or suggestions made we will of course look at these either to change things generally or on a personal level. We always value your feedback and try as best we can to make any changes necessary.

We are looking forward to welcoming many parents to our end of term assemblies and leavers assemblies coming up over the next couple of weeks.

Regards

*Miss Hayes & Mrs Arrowsmith*
