

Parents as Partners

Newsletter 18

Friday 14th February 2020

Dear Families,

We can't believe we have reached the end of another half term already! Thank you to all the parents who attended the Maths afternoon last week as part of a national Number Day, supported with the NSPCC. We hope you enjoyed working alongside your children to complete the activities and thanks to the school community we raised £118 for the NSPCC.

We'd also like to take this opportunity to thank Miss Yarsley for her commitment to the school over the last year. We know that the children and staff will miss her but wish her the best of luck as she takes up her new post closer to home.

Mrs Chadderton will be continuing to work with us, and we will reschedule the 'Meet the teacher' session when we return after the half term break.

We hope you all have a fantastic break and see you all on Monday 24th February.

Miss Hayes and Mrs Arrowsmith
Joint Head of School

February
