

World Book Day Home Learning Challenge

Who is your favourite book character? Maybe you love Harry Potter? Perhaps you think Captain Underpants is cool or Mildred from the Worst Witch is the best?

We make so many wonderful friends when we read a book; animals like Winnie the Pooh or The Hungry Caterpillar or creatures like dragons, unicorns or dogs and cats.

Your challenge is to dress a potato as your most liked book character!

If you would prefer to use an alternative item to a potato, please choose something which can be kept, re-used, recycled or is compostable e.g. a wooden spoon or a rock?

Bring your Book Character to school on World Book Day (Thursday 5th March) to be entered into a whole school competition.

Judging will take place and winners will be announced on World Book Day in the afternoon.

Get busy and get creative!
