

Parents as Partners

Newsletter 22

Friday 13th March 2020

Dear Families,

It was great to see so many parents at our RSE workshop on Tuesday evening. It was important that we were able to consult with parents before implementing the new RSE curriculum from September 2020, so a big thank you to all your contributions & support.

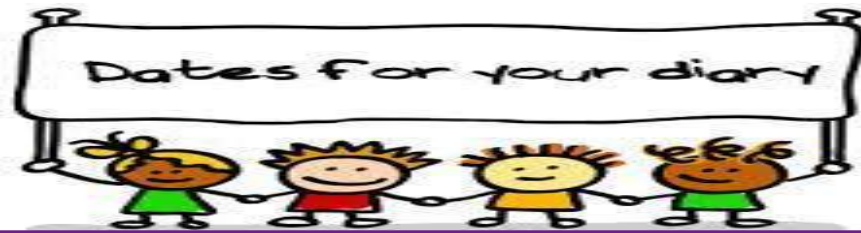

Relationships and sex education (RSE) is learning about the emotional, social and physical aspects of growing up, relationships and reproduction. It will equip children and young people with accurate information, positive values and the skills to enjoy healthy, safe and positive relationships, to celebrate their uniqueness and to take responsibility for their health and wellbeing now and in the future.

RSE is taught in a way which is complementary to the wider ethos, values and principles of our school. RSE in this school is learning about the body, feelings, beliefs, relationships, rights and responsibilities and knowing how and when to ask for help if needed. It involves acquiring information, developing skills and forming positive beliefs, values and attitudes.

RSE empowers children to build self-esteem, offer positive and open views, support mutual respect and celebration of self and others, providing a strong foundation to be successful in life.

The lady leading the session (who has worked with the government on designing the new curriculum) was able to explain what the guidelines are and share with us some of the resources as a school we will be using. A copy of the full RSE policy will be on our school websites soon. If you would like any further information, then please do not hesitate to pop in to speak to either Suzie or Louise.

Miss Hayes and Mrs Arrowsmith
Joint Head of School

March

School News

MERIT CERTIFICATES

CYGNETS – Adrian

ROBINS – Alfie H

SWALLOWS - Adele

OWLS – Lucy

With effect from 2.3.20 I would like to ask all Pre-School, Cygnets and Robins parents for a £1 donation each week for Math's Snack. This has been very successful in Cygnets and Pre-School and I would like to introduce it across all the classes.

If this could be paid directly to the office, it would be very much appreciated.

Thank you for all your support

Mrs Chadderton

Holt Hall

Just a gentle reminder to Year 6 parents that this trip needs to be fully paid for by the 3rd June 2020. Any questions then please speak to Miss Harding, Mr. Raynor or the School Office.

Thank You

Friends of the School

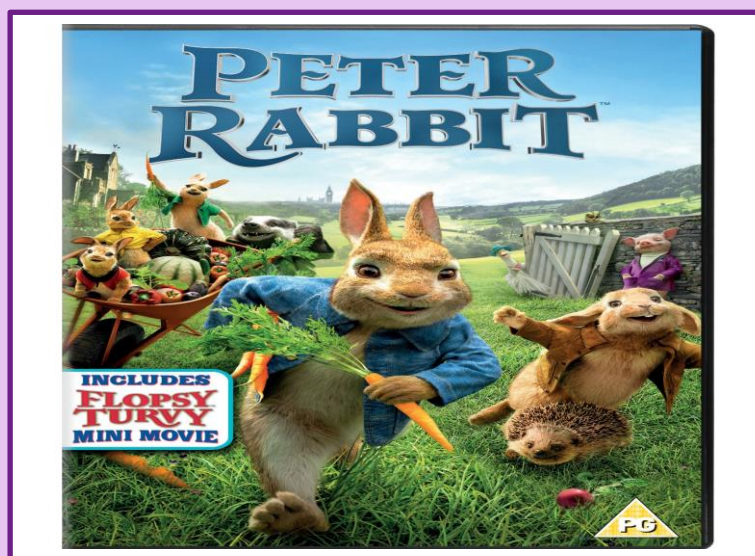

Easter Film Night

3.00pm to 5pm

Weds 25th March

£3.50 per child

this includes Hotdog, Popcorn &
refreshments and entry to win the DVD!

No extra money is needed on the night.

Please return the reply slip by **Friday 20th March** so that
we can purchase the correct amount of food &

refreshments

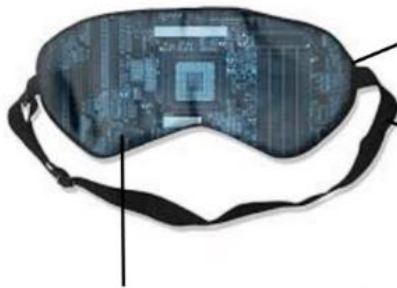

Thank you for your support.

Home Star Learning Challenge.

Entries in by the 23rd March.

Parents, please feel free to help.
This is a competition with a prize.
Think Blue Peter.
Below is Mr Raynor's example.

High tech eye patch

Flexible, clear plastic is used to provide the screen.

Simple strap to keep it on your face.

This looks like a regular eye patch, but, using your phone, it will help you see different things through the screens. You can play games and watch things happen.

All the tech is hidden in the mask.

Allowing you to see through it and see other objects as if they were in the landscape (augmented reality).

Using blu tooth, what you see is controlled by your phone or tablet.

We will be moving soon, to an online payment facility via MCAS. If you have not registered, then please come into the office for your account to be reset.

I know some parents have struggled with this system but hopefully these have now been resolved.

Thank You

Hey You
Fancy A Pamper?

Pamper Evening
