

Newsletter No 23 Friday 13th March 2020

Weekly Attendance Award goes to Ducklings

Dear Families,

It was great to see so many parents at our RSE workshop on Tuesday evening. It was really important that we were able to consult with parents before implementing the new RSE curriculum from September 2020, so a big thank you to all of your contributions.

Relationships and sex education (RSE) is learning about the emotional, social and physical aspects of growing up, relationships and reproduction. It will equip children and young people with accurate information, positive values and the skills to enjoy healthy, safe and positive relationships, to celebrate their uniqueness and to take responsibility for their health and wellbeing now and in the future.

RSE is taught in a way which is complementary to the wider ethos, values and principles of our school. RSE in this school is learning about the body, feelings, beliefs, relationships, rights and responsibilities and knowing how and when to ask for help if needed. It involves acquiring information, developing skills and forming positive beliefs, values and attitudes.

RSE empowers children to build self-esteem, offer positive and open views, support mutual respect and celebration of self and others, providing a strong foundation to be successful in life.

The lady leading the session (who has worked with the government on designing the new curriculum) was able to explain what the guidelines are and share with us some of the resources as a school we will be using. A copy of the full RSE policy will be on our school websites soon. If you would like any further information, then please do not hesitate to pop in to speak to either Suzie or Louise.

Mrs. Arrowsmith & Miss Hayes Heads of School

THANK YOU

For your kind donations

**SPORT
RELIEF**

Lateness

Quite a few children are arriving late in the mornings and this result in them losing their school mark. As you know, school starts at **8.55am** sharp. Children who arrive after this time but.....

Before 9.10am are given a late mark.

Children arriving.....

After 9.10am are entered as an unauthorised absence

and are subject to County Attendance check-ups. Please try to ensure that your children arrive in school at the correct time each morning. This not only ensures that they are here for the start of lessons and do not miss anything, but it also reduces disruption to other children who are already working.

SICKNESS ABSENCE

In addition, parents are reminded to **ring the school before 9.00am** if their child is unable to attend due to sickness.
